Five (5) points will be awarded to: (1) a veteran who served during a period of war; (2) the spouse or unremarried surviving spouse of a permanently and totally disabled veteran whose disability was service-connected and who served in a period other than war; and (3) the unremarried surviving spouse of a veteran who died in the line of duty during a period other than war. Ten (10) points will be awarded to: (1) a veteran with a ten percent (10%) service-connected disability who served during a period of war; (2) the spouse or unremarried surviving spouse of a veteran with a one hundred percent (100%) service-connected disability and who served during a period of war; and (3) the unremarried surviving spouse of a veteran who died in the line of duty during a period of war.
